Scouting for Life Blood Drive

We Need Your Help!

Give Blood | Ask a Friend | Raise Awareness

There's currently a shortfall in blood donations and the Scouts are working to help meet the need by promoting the Mascaro Memorial Blood Drive this summer.

Thank you to the 121 people that made it out to our first four drives this past weekend! The bulk of our drives are scheduled for this coming weekend throughout Philadelphia, Montgomery and Delaware Counties, so there's still time to help make a difference.

If you've been considering becoming a blood donor, now is the time sign-up!

Because all but one of our drives are taking place this weekend, please sign-up to give blood directly through the American Red Cross website (www.redcrossblood.org).

Here's how the scheduling process works:

- [Click here](#) to get a list of the Scouting for Life/Mascaro Memorial Blood Drive locations*
- Find the drive where you'd like to donate and click on the link "Click here to schedule an appointment to donate"
- You will be asked to login or register. Click on the "Register Now" button if you're a new user.
- You will be directed to the "Schedule an Appointment" page for the drive you selected. Select a time and you're good to go!
- If you're not directed to the scheduling page once you've logged-in or created an account, please enter the sponsor code *boyscout mascaro* in the blue search box at the very top of the page.

*If you can't find your drive on the page or would like to donate at any other Red Cross drive, please click "Start a new search »" near the top of the page or enter your zip code in the blue search box at the very top of the page.

Scouting for Life Blood Drive

Thank You!

A huge thank you to the hundreds of donors who participated in the Scouting for Life/Mascaro Memorial Blood Drives over the past three weekends. Your generosity helped save lives!

Patches will be distributed to participants over the next several weeks and we'll have a full report of the results once everything is tabulated.

Units: please don't forget to record your service hours towards promoting the drive, helping at a location and/or giving blood on the Journey to Excellence [Service Hours Reporting](#) website.

There's still a critical need for blood donations, so please consider registering for a drive near you through the American Red Cross website (www.redcrossblood.org) or by calling 1-800-RED CROSS (1-800-733-2767).

Thank you for making a difference this summer!

2014 Scouting For Life Blood Drive

Service is part of the lifeblood of Scouting. Here's a chance to give back in more ways than one.

The Cradle of Liberty Council is partnering with J.P. Mascaro & Sons and the American Red Cross to maximize participation in the Francesco A. Mascaro Memorial Blood Drive. Frank "The Chief" Mascaro spent his entire life giving back to the community. The Mascaro Family has organized a blood donation drive to help those in need and honor Frank's memory. This initiative integrates well with Scouting's core ideal of service to others and is a great way for Scouting units to get the service hours they need.

During weekends in late August (a high-need month for blood donation), drives will be conducted throughout the council. Scouts and Scouters will be able to provide service in a several ways:

- ✓ By promoting the drive to family, friends, colleagues, business associates, and the community-at-large and securing blood donor commitments.
- ✓ By giving blood (donors must be at least 17 years old or 16 with parental consent form).
- ✓ By volunteering at the drive (limited opportunities available).

A MESSAGE FROM

The Scout Executive/CEO

BOY SCOUTS OF AMERICA
CRADLE OF LIBERTY COUNCIL

Prepared. For Life.™

A Special Message About the Mascaro Memorial Blood Drive

July 8, 2014

Dear Scouting Family,

Community service is at the core of what Scouting is all about. The Scout Oath tells us to "help other people at all times" and Scouts have answered that call time and time again. We need a little bit of your time--and maybe even a pint of your blood--to answer the call to service once again.

A few months ago, I was fortunate enough to meet Pasquale 'Pat' Mascaro, President of J.P. Mascaro & Sons. I extended my appreciation for their longtime support of our programs, especially providing their space for Lafayette District roundtables each month. We talked about the impact of Scouting and how our programs not only affect individuals in a positive way but also result in better communities and ultimately a stronger society as a whole.

Pat let me know about a blood drive his family was planning to honor his late brother, Francesco 'Frank' Mascaro. Frank lived his life giving back to others, so it was only appropriate that an initiative be launched in his name to help fulfill a critical, life-saving need for so many. Immediately I knew that the Cradle of Liberty Council had the capacity to assist with such a worthwhile effort, especially at a time of the year when blood donation reaches a dire need. I left that meeting and immediately had conversations with members of the council's top volunteer leadership. All were onboard to get behind this effort, so I followed-up with Pat and made the commitment to help with the blood drive on behalf of the council.

The concept is simple: we need the Cradle of Liberty Council's network of Scouts, families, adult leaders, supporters, and friends to encourage people to give blood and, when eligible, give blood themselves. We have coordinated 11 drives for the last three weeks of August throughout the council's territory. While we want to make

sure that these drives fill-up and are successful, we also don't want to discourage people from giving if they can't make one of our drives in August. There are hundreds of drives throughout the area from now until September that we can encourage people to participate in and, in doing so, meet the need and save lives.

Early sign-ups have been encouraging, but we need a lot more commitments to reach our goal of 1,000 pints. Whether you can make it to one of our drives in August or want to give blood now, [please commit to being a blood donor through our website](#).

If your Scout unit wants to sign-on to help promote the effort, visit the page and complete the online [Unit Commitment Form](#) and we'll make sure you get the materials you need. Thank you to the many units that have already committed to promote the drive!

Thank you for your support of this very important effort. Let's make sure Scouting continues to answer the call to service.

Sincerely,

Michael Kaufman
Scout Executive

BOY SCOUTS OF AMERICA
CRADLE OF LIBERTY COUNCIL

[Commit Your Scout Unit Today!](#)

June 2, 2014

Dear Scouting Family,

As you may know, the Cradle of Liberty Council has launched a new community service project for this spring and summer called "Scouting for Life." In partnership with J.P. Mascaro and Sons and the American Red Cross, the council will be holding blood drives in the Scout districts throughout the tri-county area during the last three weekends of August, which are the highest demand time of the year for blood donations.

We need your help to make this successful. The Scouts, Scouters, friends, and families in your unit can participate in several ways by:

- Helping to promote the drive to family, friends, colleagues, business associates, and the community-at-large and securing blood donor commitments from your local area.
- Making the commitment to be a blood donor (must be at least 17 years old or 16 with parental consent form).
- Becoming a volunteer at the local drive in your unit's district.

The "Scouting for Life" blood drive is a great opportunity for your Scout's unit to earn service hours towards its Journey to Excellence goal. More importantly it's also a chance for Scouting to make a profound impact in our communities to provide lifesaving blood products for people in need.

Every two seconds, a patient in the U.S. relies on blood and platelet donors. Just one blood donor commitment has the potential to save up to three lives!

In order to help build some excitement for this program, the council is providing a few incentives and special recognition for individual Scouts as well as units that actively participate in their district:

- The top two Scouts securing the most donor commitments in each district will receive scholarships to attend summer camp.
- The top two units in each district will receive a special-edition "Scouting for Life" tarp/dining fly as well as a special recognition in BSA Today and a feature on the council website.
- Every Scout and Scouter that participates will receive a commemorative patch.

For more details about drive, including information about locations, local contacts, and incentives, please visit www.colbsa.org/blooddrive. Donor commitment cards are available to download or donors may complete an online form to pledge their participation. Also, available for unit leaders on the site is a downloadable Unit Leader Guide, and promotional posters to use for promoting Scouting for Life in your area.

You may also contact your local district blood drive chair or district professional to get the materials you need to help promote the drive and help save lives!

We hope you can support the Boy Scouts in making this important program a success. Please commit your unit to help with the drive by completing a short [online form](#) today!

Thank you for your support.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Walts". The signature is stylized with a large, looped initial "P" and a long, sweeping horizontal stroke at the end.

Francesco A. Mascaro MEMORIAL BLOOD DRIVE

J. P. Mascaro & Sons
If it's service, it's us!

**American
Red Cross**

BOY SCOUTS OF AMERICA®
CRADLE OF LIBERTY COUNCIL

Dear Unit Leader,

Thank you for committing your unit to help with the Scouting for Life Blood Drive! By promoting the drive throughout your community, you and your Scouting families will be providing an invaluable community service during a critical time of the year for blood donation.

Now is the time to post information about the drive everywhere you can (with permission of course). This counts towards service hours, so make sure to keep track and report the hours on the [Journey to Excellence Service Hours Reporting website](#). Fliers/posters are available to download at colbsa.org/blooddrive and from your local district blood drive chair or professional.

Here are some places you can post information about the drive:

- Apartment buildings
- Offices
- Schools
- Community Centers
- Stores
- Churches
- Your company's or organization's intranet
- Newsletters
- Social media

Promotion Tips:

For details, please
download the Unit
Leader Guide [here](#)

Wear your Scout
uniform when
recruiting
potential blood
donors.

Ask
appropriately
and face-to-face.

Educate about
the importance
of blood
donation.

Make it personal.

Remember that the goal here is to get the word out about giving blood and securing donor commitments. Donors may sign-up for one of our 12 blood drive locations in August, but you may also encourage people to give at any Red Cross blood drive from now until September if they can't give at one of our council-organized drives but still want to participate.

However, in order for us to know that they were encouraged to give blood through the Scouting for Life effort and to count towards unit and Scout incentives, it is critical that donors complete a hardcopy commitment form or the **online form**. Please make sure that hardcopy donor commitments are returned to the council resource center/office ASAP so we can follow-up.

A Unit Leader Guide, commitment forms and other promotional materials are **available here**.

Thank you again for your service to Scouting and the community!

Sincerely,

Peter Walts
