Dear «Nickname»,

Reaching today's youth is critical to building the dynamic and innovative workforce needed for tomorrow. Exploring is a co-educational career-orientation program for high school aged students. Students learn about possible careers through the program's 12 exciting career fields, such as law enforcement, aviation, health, law and government, fire and emergency services, and skilled trades. Exploring is an affiliate of the Boy Scouts of America.

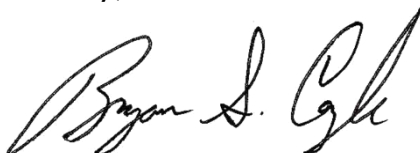

The **Workforce Development Reception** is being held to help us market and grow Exploring, and to illustrate how our program can be an investment opportunity for companies, agencies, service clubs, and other local organizations. One of the many benefits Exploring can offer is preparing future interns and employees for your workforce. It is also a way for you to help America's most precious resource: its youth.

Please consider attending the event which is scheduled to take place on **Wednesday, November 14, 2018 at Hussian College in Philadelphia from 5:30 to 7:00 PM**. There is no cost to attend. Please see the enclosed flier for more details. Also, we invite you to find out more about Exploring at [www.exploring.org](http://www.exploring.org). You may register for the event at [colbsa.org/workforce](http://colbsa.org/workforce).

As part of the reception program, we'll be honoring a dedicated Exploring volunteer with the Spurgeon Award, the highest recognition for individuals and organizations contributing significant leadership to the program. This year's recipient is **Officer Doris Strohm from the Philadelphia Police Department**. Officer Strohm serves as the committee chair for the Philadelphia Police Explorers, one of the largest law enforcement Exploring programs in the country. Her involvement with Exploring over the past 15 years has positively impacted thousands of young people.

On behalf of the Explorers in our service area, thank you for considering attending on November 14. With your support, we can further our mission of nurturing the future workforce of America. We look forward seeing you.

Sincerely,

Bryan S. Coyle  
Corporal/Program Director  
Philadelphia Police Explorer Cadet Program

Greg Osborn  
Director of Field Service/COO  
Cradle of Liberty Council
