To further character education in the Granite State by supporting the mission of the Boy Scouts of America—to instill positive values in young people by helping them to achieve their full potential. The purpose of Scouting is character education, personal fitness and citizenship training.

MISSION STATEMENT

REVEAL YOUR INNER SUPERHERO!

XTREME DESCENT

September 24, 2011 • Rappelling starts at 10:00 am

Prepared. For Life.™

WHAT IS XTREME DESCENT?

On Saturday, September 24, 2011, **100** of the state's most thrill-seeking individuals will take part in the Third Annual Xtreme Descent, rappelling down the 24-story Brady Sullivan Plaza in Manchester, New Hampshire! **Reveal Your Inner Superhero** and help raise money for Scouting by taking part in this urban rappelling challenge!

WHO CAN PARTICIPATE?

Individuals aged 14 and up and weighing at least 110 pounds can participate in the event. You can rappel at Xtreme Descent by donating a minimum of \$750 (\$500 for youth and adults registered with the BSA). Better yet, get two other friends to participate with you and form a team! You are encouraged to request sponsorships from friends and family to assist you in securing your donation and online fundraising tools are available. Corporate sponsorship packages are also available. Donations are fully tax-deductible in accordance with the law.

Want to donate but can't rappel? Sponsor a rappel for a Scout, public servant, veteran, or volunteer. Contact us or visit our website to find out how.

WHO BENEFITS?

All proceeds from the event will benefit the New Hampshire Scouting programs of the Daniel Webster Council. For over 100 years, the Boy Scouts of America has helped young men and women become better citizens and leaders using the great outdoors as a classroom. Your donation helps support year-round and summer camp programs for the over 16,000 youth involved in the Daniel Webster Council.

WHY IS IT SAFE?

This event is being produced by Over the Edge, a fully insured professional rappelling organization that has worked with various non-profit groups throughout North America to help raise money for their cause. You're in expert hands from the minute you 'harness up', to the second you're 'off rappel' at the bottom. All equipment, practices, and procedures used are approved by Federal and State OSHA, Workers Compensation, and Industrial Rope Access Trade Association.

Space is limited to the first 100 individuals to sign-up; however, walk-in participants may be eligible.

To sign up please visit: www.xtremedescent.org
